

Divinol Bike Pro 4T 10W-60

Racing Engine Oil with JASO MA2 / Wet Clutch

PRODUCT DESCRIPTION

Divinol Bike Pro 4T 10W-60 is a low-friction engine oil for motorcycles and ATVs, manufactured from fully synthetic base oil, high-quality synthetic oils, and premium additives, in accordance with the JASO MA2 specification. **Divinol Bike Pro 4T 10W-60** is specially formulated for motorcycle oil-bath clutches and ensures optimal performance. The use of selected base oils and additives reduces deposits and prevents sludge buildup, while the high alkaline reserve ensures excellent corrosion protection. An innovative formulation concept results in fuel savings and reduced oil consumption. **Divinol Bike Pro 4T 10W-60** is suitable for use in racing.
