

Divinol Special 2000 HD 20

Single-grade oil SAE 20

PRODUCT DESCRIPTION

Single-grade motor oil for a wide range of applications. Divinol Special 2000 HD 20 offers high resistance to wear and cold sludge formation. It provides optimal lubrication, even under severe conditions.

KEY METRICS

SAE class	20
Density/15°C / DIN EN ISO 12185	0.86
Color / Appearance	brown, clear
Viscosity/100°C / ASTM D 7042	7.5
Flash point (according to Cleveland) / DIN ISO 2592	> 200 °C
Pour point / ASTM D 7346	-33 °C
TBN	6 mgKOH/g

SPECIFICATIONS

API SL/CF

APPLICATION

Universal single-grade oil for gasoline and diesel engines, as well as stationary engines. Also suitable as a hydraulic fluid for machinery; the blend of proven base oils and additives provides effective protection against wear and corrosion.

Take advantage of our service, we will be happy to advise you and develop individual application recommendations for your process. Please also note the material safety data sheet.
